Walk and Wheel day is Tuesday, April 24th

There will be stations at the school where all students arriving via any means of active transport can enter their name into a draw for a new bike. The focus of this Walk and Wheel day is to have as few cars as possible arriving at or around the school to alleviate traffic congestion around the school and to encourage safe roads for all students arriving to school. If you arrive to school by car, please consider parking a few blocks away from school and walking the last few (hundred) meters.

We will be celebrating Bike to School week May 28th to June 3rd. Please stay tuned for more information!
