Walk & Wheel Week

It was a great success. Over 61% of students traveled to and from school using an active mode of transportation. That is an increase of about 10% from our last big effort in the fall. Way to go SJD!

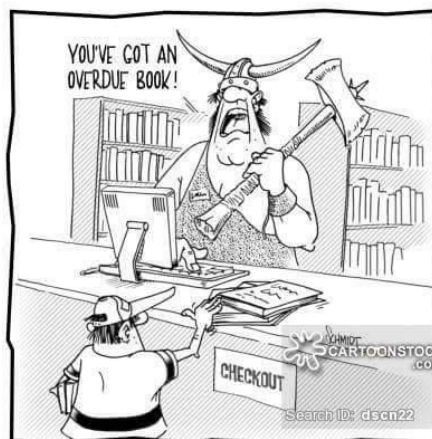

Here are some highlights from the day

- All the grade 3 students participated in the bike rodeo on Tuesday
- Wednesday was the Celebration Station right in front of the school.
- On Friday we had our Fabulous Superhero Parade from Clover Point to the school.
- And then, throughout the day Friday the parking lot and drive through were available for extended recesses because cars were banned for our 100 in 1 event!

Click [here](#) for some images from the various events. We will have the draw for the new bike this week!

Parents, thank you for everything that you do. As a small token please drop by the school and have a coffee and muffin on us starting at 8:15 this Wednesday, June 6th.

CONAN THE LIBRARIAN

Return all Library books to the library A.S.A.P.

Please look under beds, on bookshelves and in backpacks and return any books you find to the library. If you happen to run across books from previous years, send those in too! Thank you for helping with this search.

Year End Student Art Show -
