

As we near the end of the year, the PAC is getting ready for one last push to raise funds for a new playground! The Spring Fling, being held on May 26th from 4pm until 7pm, is one of our last big fundraising party for the year! It is not only a great way to bring the whole community together, it is going to be a TON of fun!

We have several food vendors selling your supper including: Greek on the Street, Yummy Food Truck, Donair Dog, the Ice Cream truck and Betterwith Ice Cream cart . On top of that, PAC will be selling popcorn, cotton candy and Mr. Freezies!

There will be SO much for the kids to do. Half the basketball court will be turned into a dance floor with a live DJ! The other half will be the Jumpshots Basketball league having fun and running drills with the kids. The food trucks will line the drop off area and there are more activities around the back of the school: Poppet Creative to run crafting, BC Museum with DINOSAURS, Park's MBA Taekwondo will be breaking boards and showing off their demonstration team, UVikes with a TON of outdoor fun and Beacon Hill Little League will be there with games and prizes for the kids.

It's going to be a party and it's going to be a BLAST!

Bring your sunscreen, bring your water bottle and be ready for some fun!

Now that you know more about it, make sure to mark it in your calendar for next Friday, May 26th to join the fun! (Also make note of June 9th for the Pancake Breakfast!)

Many parents are curious about what we are raising money for. Check out the picture for the proposed new playground! Let's get together, have some fun and get this playground for our kids!
