## Reminders about school drop off and pick up

As the weather is now nice outside, we have noticed that some students are dropped off early or picked up late. Please note that **supervision at Sir James Douglas is provided for 15 minutes immediately before and after school each day. Students should not be at school before 8:30am and after 2:52pm.**

## Drop off and pick up procedures

**Please do not use the staff parking lot for drop off and pick up.** All parents are asked to ensure their children's safety when bringing them to school in the mornings or picking them off in the afternoons, whether you walk, ride, or drive to school. The staff parking lot is very busy with cars coming and going constantly which is not safe for students.

**Please also make sure that you do not park in the drive-through** as it is a quick drop off and pick up area; otherwise, it blocks the access to other vehicles.

**Thank you kindly for your collaboration to keep our kiddos safe :)**

**Our Rainbow Week Collective Display!!!**

**Way to go, SJD :)**

**A huge thank you to the Rainbow Club students and Mme Archambault for providing such great activities throughout the week!**
