National Indigenous Peoples Day

June 21 is National Indigenous Peoples Day. It's a time to recognize and celebrate the traditions, cultures, and contributions of First Nations, Inuit and Métis.

National Indigenous Peoples Day takes place on the summer solstice, the longest day of the year. For generations, many First Nations, Inuit, and Métis communities have celebrated their cultures, languages, and traditions at this time of year. The summer solstice holds deep spiritual and cultural significance for many Indigenous Peoples, marking a time of renewal, connection, and celebration.

To honour this special day, SJD students will take part in an Indigenous Story Walk outside on Friday, June 20.

FUN Day: Friday, June 20th in the afternoon

All SJD students will have the opportunity to enjoy some fun outdoor games organized by our staff on the playground and field during the afternoon of Thursday, June 20th.

Please ensure your child:

- Wears sunscreen and a hat to stay protected from the sun
- Brings a water bottle to stay hydrated throughout the afternoon

A **huge thank you** to our amazing PAC, who will be providing a **special treat** for all students and staff at the end of the day! 😊
