

September 11, 2026

Dear Parents,

On Friday, September 18th, Sir James Douglas will host its annual Terry Fox Run from 1:15-2:30. We are very proud to support this Canadian hero's dream of raising money for Cancer Research. Staff and students will walk, jog or run around a set route on and around the school property. Parents and siblings are invited to join us for this very exciting event. Students will return to their classroom in time for 2:37 dismissal.

Sir James Douglas families have always been very generous in supporting their children's effort to collect pledges for this worthy cause. All donations and pledges will be completed online using **this online pledge link:**
<https://schools.terryfox.ca/138627>

On this site you can donate in the name of Sir James Douglas School. We will receive notice and keep a total of the online donations over the course of the month. Our goal this year is \$5,000!

Teachers will be spending some class time discussing this event and Terry's contribution to Canada. We encourage you to engage in discussions at home and hope to see you on the 18th. All family members are welcome and teachers always appreciate having parent helpers. This is always a very special afternoon! We look forward to seeing you there!

Sincerely,

The Sir James Douglas Staff
